

## Confirmation Student Commitment Pledge

Recognizing that I play an important part in my confirmation instruction, I am willing to commit myself in the following ways:

- To regularly pray for my fellow confirmands during these exciting and challenging years;
- To be regular and faithful in my own church and Bible class attendance;
- To do my best to attend each class and arrive fully prepared (i.e., Bible, binder, pen, Catechism & assignments/memory work complete);
- To arrive on time for each class (exceptions: unforeseen circumstances);
- To read the catechism together with my family;
- To attend youth ministry opportunities offered by Zion where I am able, including our Junior Youth Ministry Group service events on Wednesday nights and other special events;
- To work with my family on service projects;

Having read, understood and agreed with the expectations, objectives and requirements of the Confirmation Ministry of Zion Lutheran Church, I give my pledge to give 100% of my best effort, praying to grow in the grace and knowledge of our Lord and Savior, Jesus Christ.
