

Confirmation Parent/Guardian Commitment Pledge

Recognizing, as a parent/guardian of a confirmation-aged student, that I play an integral role in my child's confirmation instruction, I am willing to commit myself in assisting my child in the following ways:

- To regularly pray for my child and his/her fellow confirmands during these exciting and challenging years;
- To be regular and faithful in my own church and Bible class attendance, as children learn more from what they see modeled than what they are taught or told;
- To attend confirmation with my child as much as humanly possible and nurture my child's faith based on what I learn;
- To assure attendance at each class and that my child will arrive fully prepared (i.e., Bible, binder, pen, Catechism are with them & assignments/memory work is complete);
- To see that my child arrives on time for each class (exceptions: unforeseen circumstances);
- To review memory work assignments each week prior to class
- To read the Catechism together as a family;
- To encourage my child to attend youth ministry opportunities offered by Zion Junior Youth Ministry and help lead as I am able;
- To work alongside my child in family service projects;
- To see that my child meets all requirements and expectations to the best of our ability.

Having read, understood and agreed with the expectations, objectives and requirements of the Confirmation Ministry of Zion Lutheran Church, I give my pledge to assist my child and the church in helping him/her grow in the grace and knowledge of our Lord and Savior, Jesus Christ.
