

## Church Learning Fair Zion Lutheran Church

All Confirmation students will be required to participate in the church Learning Fair on Wednesday, May 1, 2019. Older and younger students are invited to participate as well. Classrooms may also do projects to display (youth group, SS, KK's, Confirmation, Bible studies, etc.)

**Emphasis on Service:** This year, we would like to emphasize using your talents and skills for service in the church and in the community. Try to fill a need. Last year, some great examples were making a tie blanket to donate to the cancer center, making offering plates for SS, making candle holders to give away at Baptisms, organize a service project for you and your friends, write a poem and mail it to a shut-in.

Projects should be your own work, or done as a family & could include any of the following:

- Christian Artwork: Any piece of faith-inspired, original art. This could be a sculpture, painting, drawing, etc. that you have created. You will need to include at least one paragraph explaining how your art relates to your faith. Please also include a Bible verse.
- A one page typed report on a topic approved by the teacher.
- A power point presentation on an approved topic
- A display (science fair style) on a larger topic, for example, the Reformation & Martin Luther, or history of the Apostles' Creed.
- You could write a Christian song and record it to play during the fair.
- Record a TV Commercial for Zion Lutheran Church, or do a video journal.
- Write a devotion! (see Mrs. Nistler for format)
- Create a Christian themed comic strip.
- Create a collage describing your faith.
- Make a small portfolio that could include your favorite devotions, Bible verses, and special faith moments in your life (Baptism, Sunday School, King's Kids, Starting confirmation, birth or death of a loved one, etc).
- Woodworking or glass project.
- Display and explain the seasons/colors of the church year, Christmons, etc.
- Design a banner for the Sanctuary.
- Dress up as a Bible character and tell your story (Example: Dress as Moses and tell us about the 10 commandments, the golden calf, talking to Pharoah, etc.)
- Write & illustrate a children's book about a Bible lesson.
- Create a game board with faith based questions.
- Plan and implement a service or outreach event & tell us about it. (Examples: a clothing drive, volunteering at a shelter or soup kitchen, assembling health kits or school kits for Mexico, law enforcement).

- Write a lesson plan and teach a Sunday School or King's Kids class. Take a few pics to use for the display.
- Sew a prayer pillow case or a stuffed animal to hold while you are praying.
- Create a lesson plan and teach one of our SS classes!
- Cook a food/meal found in Scripture and bring samples to share
- Design a shirt for VBS!
- Organize a plan for offerings at VBS
- Plan a booth for Trunk or Treat

Please use your best effort in displaying these projects. Projects will need to be **approved by the classroom teacher by Wednesday, April 10<sup>th</sup>**. All Projects will be displayed for Confirmation Sunday, May 5<sup>th</sup>. Please make sure your project has your name and age listed.

Schedule for the Learning Fair: All are Welcome!

5:15 pm	Confirmation Meal & browsing through projects
6:00 pm	Learning Fair – students stand next to projects
7:00 pm	Cake reception for 8 <sup>th</sup> Grade Confirmands & Awards

These Learning Fair projects are a great thing to display at your confirmation receptions, or in your homes! You can also donate art or craft projects to the church or other organizations.

If you have any questions, please contact Kristin or Russ. Thank you!

In Christ,

Kristin Nistler
